FISCAL ANALYSIS

ASSUMPTION

The **Office of State Courts Administrator, Department of Conservation, Department of Health, Office of Prosecution Services** and the **Department of Natural Resources** assume their agencies would not be administratively impacted by this proposed legislation.

Oversight assumes a fiscal impact would occur if criminal charges are filed against persons who have committed disposal of waste and assets are available for seizure. Oversight has reflected unknown income to the School Building Revolving Fund.

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

DESCRIPTION

This proposal includes the criminal disposal of waste in the list of activities that trigger the Criminal Activity Forfeiture Act (CAFA). Violations of CAFA result in the civil forfeiture of all property used in or realized through the commission of criminal activities.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
